Submission

Submission Overview

Proposal Type:

Should your proposal not be accepted as an Applied Learning Session, would you like to be considered for another type of proposal?:

Proposal Title (100 characters max):

Proposal Topic Keyword (select all that apply):

If Other, please specify:

AAVMC holds a registered trademark for the acronym CBVE, which stands for Competency-Based Veterinary Education. Please follow these [CBVE guidelines](#) if your proposal references CBVE.:

Recommended Audience (select all that

apply):

If Other, please specify:

Submission Details

All proposals must complete this page.

Abstract Details

Background: describe the context and specific problem being addressed in your proposal:

Methods:

- *Research Presentation: Describe the experimental design and statistical analysis used in the study*
- *Innovative Case Study: Describe the design of the program or intervention and how it was implemented*
- *Applied Learning Session: Describe the skills or competencies being developed as part of the session and how the interactive design of the session contributes to content delivery*

:

Results and Conclusions:

- *Research Presentation: Include data results, major findings, and implications*
- *Innovative Case Study: Include outcomes from intervention and relevant learnings for other programs interested in implementing a similar intervention*
- *Applied Learning Session: 2-3 Learning Objectives and any tangible outputs attendees will have*

following the session

:

Summary of the proposal topic and takeaways for participants (2-3 sentences to be included in the conference program and app):

Scholarly References

2-5 scholarly references underpinning the theoretical and empirical basis for the proposal:

Declaration

Journal of Veterinary Medical Education

Research Presentation and Innovative Case Study abstract submissions accepted for presentation at the AAVMC Annual Conference have an opportunity to be included in conference proceedings published by the Journal of Veterinary Medical Education (JVME). Authors will have an opportunity to revise their abstracts prior to publication.
